

Your Excellency,

It was a great shock for us to hear the sad news of attacks on Government building in Oslo and youth camp at Utøya committed last Friday. We were deeply grieved to know of numerous dead, injured and still missing people in that tragedy. We fully condemn these inhuman acts of violence which have no place in the democratic peaceful world.

In the name of Msgr. Jan Baxant, Bishop of Litoměřice, and mine, we would like to express our deep sympathy for those who lost their life, their families and friends and for your country. We stand by all the afflicted in these cruel moments and assure them of our prayers.

Yours sincerely

Fr Stanislav Příbyl, C.Ss.R.  
Vicar General  
Diocese of Litoměřice
